

## **Exit Strategy Requirements for RDO Members**

The following requirement was adopted by the RDO Board in June 2013:

1. That in the event of the death of an owner and subject to the management fees being up to date, RDO members will give the beneficiaries of the deceased member, including spouse/partner and children, the option entirely at their choice either to take on the timeshare ownership or to surrender it without any form of penalty.
2. That in the event of bankruptcy, RDO members will, on the submission of appropriate written evidence on the part of the owner, permit the owner to relinquish their membership/ownership certificate.
